**\* DEDICATED TO EXCELLENCE AND ACCOUNTABILITY IN GOVERNMENT \***

**Education** – I will continue the fight to keep our kids in local Cooper City schools, and will continue the fight against redistricting and waste of your hard earned tax dollars for school pork projects.

**Taxes** – The residents and business owners are the shareholders of our great city, and have been burdened by haphazard spending by our current commissioner's and city hall. I will continue to strenuously object to spending or increasing your tax dollars irresponsibly and unnecessarily, and I will continue to vote NO on budgets that are a result of mismanagement, ultimately causing a tax increase. We must reduce the local governmental tax burden on our residents and small business owners.

**Businesses** – My goal is to allow anyone to be able to start a business in our city, helping them to make their dream come true without having to deal with unnecessary and excessive red tape, in addition to the bureaucracy at city hall. I will continue to do everything possible to help make our local businesses successful and become more prosperous in these difficult financial times by holding the line on fees.

**Accountability** – As your 'Go To' commissioner, I have been a strong voice in holding your city commission and our employees accountable to you. I will continue to do so while striving to eliminate the excessive waste, mismanagement, excessive spending and inefficiencies in our wonderful city.

**Public Safety** – The single most important task of your government is to ensure the safety and welfare of its residents and business owners. To that end, I have tirelessly supported our BSO police and fire personnel. I will continue to be fully committed to providing them with every resource necessary to keep Cooper City families healthy and safe. I will also keep Code Enforcement diligent in its duties, supporting and enforcing our city code. We must also fight to keep our school resource officers.

**Donate Today** – Because of you, I have been able to accomplish much on behalf of our residents and business owners. To assure that your voice will continue to be heard, and to keep our city 'Someplace Special', please consider contributing to my campaign. Your voice is my voice. Generous and hard earned contributions from you and your neighbors are very important to our success, and I humbly request your financial support. Any and all contributions are graciously accepted, no matter the amount.

As always, it is my distinct honor to serve as your city commissioner. If there is ever anything I can do to help you, please do not hesitate to email me at [johnbsims@bellsouth.net](mailto:johnbsims@bellsouth.net) or call me directly at 954-445-6997. You can also visit my website at [www.keepsims.com](http://www.keepsims.com). I encourage, support and welcome your thoughts on how Cooper City can become more receptive to our residents and business owners. Contact me at anytime with your concerns, questions and comments. I am here to help you! John Sims Campaign, 8708 SW 55 ST, Cooper City, FL 33328-4324
